

REPORT ON THE 2024 ELECTION CYCLE

A Record-Breaking Year Advancing Advocacy and Empowering the Home Care Industry

INTRODUCTION

The Home Care Political Action Committee (PAC) aims to:

- Foster the enhancement of governance by motivating and empowering home care industry professionals and stakeholders to engage more actively and efficiently in governmental affairs.
- Promote a comprehensive understanding among home care industry professionals and stakeholders of governmental actions, significant political issues, and the performance records of officeholders and candidates for elective positions at various levels of government.
- Aid home care agencies and stakeholders in organizing themselves for more impactful political involvement.
- Provide support to candidates seeking election to public offices at local and state levels who align with the perspectives of home care providers on critical issues pertinent to the home care industry.

The 2024 election cycle – January 2023 through November 2024 – was a historic milestone for the PAC. This year, the PAC achieved its highest-ever fundraising total and strategically invested in advancing the priorities of the home care industry. By uniting providers, caregivers, and stakeholders, the PAC successfully positioned itself as a leading advocate for legislative and regulatory changes that benefit patients and providers alike.

Through targeted contributions and increased donor engagement, the PAC played a critical role in shaping a favorable policy environment for home care. This report highlights key achievements, financial performance, and strategies that underscore the PAC's impact and its commitment to the home care community.

LEADERSHIP

The Board of Directors is the guiding body responsible for advancing the mission of the PAC. Composed of dedicated leaders from across the home care sector, the Board ensures strategic oversight, promotes advocacy initiatives, and fosters industry engagement.

The Board consists of five to 15 members, all of whom are PAC members. The Board's composition may be adjusted by majority vote, ensuring flexibility to meet the needs of the organization while maintaining effective leadership.

2022-2024 Board of Directors

- **Chair:** Teresa Corbin, Retired
- **Secretary:** Denise Bellville, Home Care Association of Florida
- **Treasurer:** Monica Smith, Home Care Association of Florida
- **Deputy Treasurer:** Kyle Simon, Home Care Association of Florida
- **Directors:**
 - Dwight Cenac, High Noon Game
 - Amy Wells, Welcome Homecare
 - Dr. Vikash Negandhi, Trust USA Home Health

With their expertise and commitment, the Board of Directors plays a vital role in advocating for policies that strengthen Florida's home care industry.

EXPENDITURES

The PAC strategically directed funds to political campaigns of candidates committed to advancing home care priorities. All candidates supported by the PAC who remained in their respective races were successfully elected, highlighting the strategic impact of our investments. Representative Spencer Roach (R-North Fort Myers) announced in April 2024, a month after receiving our contribution, that he would not seek re-election. While this decision was unforeseen and beyond the PAC's control, our thoughtfully targeted allocations ensured meaningful influence in key races and policymaking forums.

Key investments during the 2024 election cycle included:

- **Senator Bryan Avila (R-19)** – Representing part of Miami-Dade County
- **Senator Colleen Burton (R-12)** – Representing part of Polk County; Health Policy Committee Chair
- **Senator Ed Hooper (R-21)** – Representing part of Pasco and Polk counties; Appropriations Committee Chair
- **Representative Josie Tomkow (R-51)** – Representing part of Polk County; Health and Human Services Committee Chair
- **Senator Jay Trumbull (R-2)** – Representing Bay, Calhoun, Holmes, Jackson, Okaloosa, Walton, and Washington counties; Appropriations Committee on Health and Human Services Chair

PAC FUNDRAISING HISTORY

The 2024 election cycle has been a historic year for the PAC, setting a new all-time record for contributions. With \$68,502.46 raised, this cycle surpasses every previous effort in the PAC's nearly three-decade history. This achievement reflects an extraordinary level of commitment and engagement from supporters across the industry.

In addition to breaking fundraising records, the PAC has maintained strong expenditure levels at \$63,179.98, demonstrating its strategic investments in advocacy efforts. These milestones are a testament to the growing influence of the home care community and its ability to advocate for policies that protect and strengthen the industry.

Since its inception in 1996, the PAC has raised nearly \$400,000 in total contributions – a significant achievement fueled by this year's remarkable success. Thank you to all who have made this record-breaking cycle possible!
