
The Home Care Association of Florida (HCAF) is the premier trade association for the home care industry in Florida. HCAF was founded in 1989 and is a 501(c)(6) not-for-profit organization dedicated to serving Florida home care providers and their vendors.

HCAF exists to provide representation, communication, and advocacy for these providers, and to give them the education and information they need to deliver high-quality, cost-effective services to patients and clients in their homes.

HCAF represents both not-for-profit and for-profit home care providers, including Medicare- and Medicaid-certified agencies, and Private Duty (licensed only) agencies. Additionally, we welcome vendors organizations that provide products and services to home care providers as Associate members.

HCAF offers a vast array of continuing education and professional development, public policy representation and analysis, networking opportunities, and other members-only services all year long.

On the education front, HCAF hosts the HomeCareCon Annual Conference & Trade Show every summer, which features dozens of workshops and sessions offering continuing education credits for attendees. The Florida home care industry's leading and largest event of the year, HomeCareCon boasts leading experts in home care, the law, finance, sales and marketing, human resources, technology, business intelligence, and other sectors. Additionally, our annual Home Care Warm Up builds on HomeCareCon education every winter with a two-day program for Medicare providers. On the private pay side, our annual Private Care Symposium provides a one-day, one-of-a-kind event for providers. Between in-person workshops, webinars, telecourses, and special events, HCAF offers nearly 100 education-based programs each year to sharpen our members' skills and keep them informed on policy developments and best practices.

HCAF works in cooperation with all state and federal government officials and regulatory agencies, including the Florida Agency for Health Care Administration (AHCA) and the federal Centers for Medicare & Medicaid Services (CMS).

HCAF is a partner of the National Association for Home Care & Hospice, the Partnership for Quality Home Healthcare, and the Partnership for Medicaid Home-Based Care, and a member of the Florida Palliative Care Coalition.

A Quick Word From the Executive Director

Dear Prospective Member,

I have performed just about every job there is in the home care industry, but still remember my first home visit. I was standing in this elderly woman’s home and a feeling came over me that I had finally come home — I knew then and there this would be where I would spend the remainder of my professional life. My faith and passion for home care has never wavered since that moment.

All of us in the home care industry know that our jobs do not come without serious challenges. It takes unequivocal dedication to run a successful agency these days, and the barriers we face are immense.

On the surface, our agencies might look quite different, but at the core our goals are the same: to provide patients with the highest quality of care, all while growing our businesses.

HCAF is here to help with those aspirations.

We started this organization in 1989 with the understanding that home care providers in the State of Florida were in need of a unified voice, as well as support and tools to succeed.

Three decades later, our industry is facing more statutory and regulatory burdens and hurdles than ever before. HCAF leadership and staff are dedicated now like no other time before to providing top-notch resources, education, and advocacy so that you can not only overcome these challenging times, but thrive and grow your business and serve our aging population.

We value each and every one of our members, and we hope to bring your organization into the fold by becoming a member, too. If I can ever be of service or answer your questions, you can call me directly anytime on my cell at (850) 567-1951.

Onward and upward — united!

Bobby Lolley, RN
Executive Director

Meet the HCAF Team

Renee Bush, MSM-HA, CPC, Director of Private Duty Services • Jennifer Campbell, Office Assistant • Julia Heath, Associate Director of Membership Services • Patti Heid, MSPT, COS-C, Director of Clinical and Regulatory Affairs • Kyle Simon, Director of Government Affairs and Communications • Adara Sloane, Program Assistant • Monica Smith, Deputy Director
Membership Perks for Providers

Our membership consists of over 500 in-home care providers, including Medicare, Medicaid, and Private Duty agencies. All Florida-licensed home care agencies are eligible for membership.

We deliver invaluable resources, timely education, and unified advocacy year-round for members. HCAF’s team is available to answer your questions and visit your part of the state throughout the year for in-person meetings on the latest updates and information to keep your agency compliant and thriving.

When you’re a member of HCAF, you’ll be “in the know” about everything affecting the industry in Florida...

▶ Need clarification on a regulation or help preparing your staff for new requirements?
▶ Need help getting licensed?
▶ Need assistance getting in touch with policymakers?

HCAF has the expertise and access to decision makers so home care has a seat at the table, and we are here to share them with you.

Membership terms last one year from the date that you join, but we strive to keep you coming back year after year to claim your HCAF benefits.

Membership categories are as follows:

▶ Certified Provider Member (Medicare & Medicaid)
▶ Private Duty Provider Member (Licensed Only Agencies)
▶ Combination Member (Certified & Private Duty)

We know that times have been tough, but we appreciate each and every one of our members’ support and dedication to in-home care. Count on HCAF to keep up the fight for the home care workforce, the patients/clients who depend on you, your business, and your future!

Learn more at HomeCareFLA.org or contact us at (850) 222-8967 or info@homecarefla.org.

Benefits

2,200+
Licensed home care agencies in Florida as of Summer 2022

590
Active provider members as of Summer 2022

$1,600

📚 Even more exposure through the opportunity to submit one guest article per year for publication on our website and in Hot Sheet, our twice-per-month, members-only newsletter, plus access to our LISTSERV for news and member-to-member dialogue to gain insight into issues impacting providers

📚 Policy advocates fighting for your industry's interests in Washington, D.C., and Tallahassee year-round, plus on-demand access to legislative tracking tools that are updated in real-time

 示, demonstrate integrity and commitment to your industry by proudly displaying the HCAF member seal on your website and marketing materials

**The Bottom Line**

$1,061.00 ← Just $2.90 a day!
I don't know what all of us would do without HCAF and your staff. I've been in home care since 1986 and I have always depended on HCAF. Your resources, connections, and knowledge are invaluable to our agency!

SUSAN VERSLEY • HPH HOME HEALTH • MEMBER SINCE 2007

HCAF continues to strive to meet you at all of your intersections as you journey through the ever-changing landscape of home care, not only now but since the beginning of our membership.

DENISE BELVILLE • ETAIROS, COMPREHENSIVE HOME CARE • MEMBER SINCE 2007

Big or small, size does not matter. HCAF is always there to help with a "what can I do for you" attitude and the cost to become a member is minimal compared to what you get in return for the support and advocacy locally, statewide, and on the national level.

ANTHONY CLARIZIO, MBA • UF HEALTH SHANDS HOMECARE • MEMBER SINCE 2008

I have been a member for over 20 years, in addition to serving as a District Director and Officer on the Board of Directors. HCAF is always there for its members. The staff and Board are always there with relevant information and educational programs to keep us up to date. They even provide hand-holding services to support members in need. I am so proud of our state association and feel it is the best in the country. HCAF brings knowledge, support, and compassion to our members.

MARY ANN KNEE • UNIQUE MED HOME HEALTH CARE SERVICES • MEMBER SINCE 1989

As a member of HCAF, I feel like I am never alone. I am armed with the most up-to-date information regarding licensure and government updates or pending legislation and I always have a voice representing my best interests in Tallahassee. Whether I call HCAF in a crisis or with a general question, I always get quick, reliable responses to help me run my business effectively. I also have regular educational opportunities to give me a market advantage. Best membership EVER!!!

MICHELLE ROGERS • HEALTH FIRST PRIVATE DUTY • MEMBER SINCE 2017

You need an organization that you can depend on for the most current news and resources. The monetary investment is small–the return on the investment...enormous!

KATHLEEN CODY-GUASTELLA (RETIRED) • TALLAHASSEE MEMORIAL HOME HEALTH CARE • MEMBER SINCE 2008

As a member of HCAF, I am able to see the benefits firsthand and share with others. HCAF curates necessary information to be an informed advocate for the direction in health care. While also providing resources, connections, and projections on how to stay relevant in the care delivery.

MARSHA MOOR • TRILOGY HOME HEALTHCARE • MEMBER SINCE 2011

I have been a member of this association since before it actually was HCAF. During the last 12 years, I have been fortunate to have the support of HCAF as I served in positions of Director of Nursing, Clinical Manager, and Administrator, of a very small agency and a very large agency. I now work as an OASIS Specialist for a consulting firm. In all situations and circumstances, I cannot imagine being without the education, training, advocacy, networking, and great friendships that HCAF has made available to me at all levels. HCAF truly is a bridge over troubled waters.

GLENDA KELLER • MCBEE ASSOCIATES • MEMBER SINCE 2007

As a national home care and hospice consultant, I have worked with numerous state associations across the country. HCAF is second to none in all aspects, but most importantly in the care that they show and the advocacy that they act out on behalf of their membership. There has never been a moment in the life of my company (18 years) that I ever second-guessed or hesitated to act on anything that came from HCAF. The HCAF leadership is always first in line to fight for the rights of its members and will not back down from the national decision-makers being told the concerns that are the real world. HCAF is a very strong association and cares about the survival of agencies.

MELINDA GABOURY • HEALTHCARE PROVIDER SOLUTIONS • MEMBER SINCE 2007

I've been attending for more than 10 years and HCAF has the most robust Annual Conference attendance and the best education I've seen. From a vendor standpoint, the networking and business development opportunities are second to none! I highly recommend this event for any company servicing the home care and hospice industries.

ERIC SCHARBER • SIMIONE HEALTHCARE CONSULTANTS • MEMBER SINCE 2008
Florida's Voice for Home Care

HCAF has a committed policy team working around the clock to ensure that policymakers are paying attention to the issues that matter most to our industry.

We help policymakers craft laws and regulations and advocate for home care providers at the Florida Capitol in Tallahassee and on Capitol Hill in Washington, D.C.

Our members also play an integral role in our success. They are invited to our annual Home Care Day at the Capitol, the most opportune time to meet face-to-face with lawmakers and demonstrate our industry’s unified voice as we make our case on legislative priorities.

Members also have multiple opportunities each year to meet with the Florida congressional delegation at our nation’s Capitol to advance home care priorities related to Medicare, Medicaid, labor issues, and others. Dedicated members may also be part of our Governmental Affairs Task Force, which develops and helps drive our legislative priorities.

In addition to advocacy events, the Legislative Action Center allows providers to engage with lawmakers on key issues simply and quickly. Visit HomeCareFLA.org/TakeAction and see for yourself!

If you care about the policy issues that directly impact every Florida provider, HCAF has the tools and access to make your voice heard. Join us and start advocating for your profession and the patients and clients you serve today.

ADVOCATING FOR HOME CARE... HCAF hosts annual in-person advocacy days in Tallahassee during the legislative session and on Capitol Hill in Washington, D.C. These events provide advocates with timely policy briefings and the opportunity to meet face-to-face with their elected officials to advance industry priorities.
What is the PAC?

The Home Care Political Action Committee (PAC) was established to organize political action on behalf of Florida home health agencies. The PAC is a voluntary, non-profit, and non-partisan organization that is not funded by HCAF membership dues and is regulated by the Florida Department of Elections.

Your contribution will support Florida political candidates who are committed to public policy that advances the best interests of Florida’s home care provider community. Each donation will help us elevate and galvanize the collective and unified voice for all of Florida’s home health agencies. Without the PAC, your voice in Tallahassee falls silent, and as the saying goes in policymaking, "If you don’t have a seat at the table, you’re probably on the menu.”

Individuals and businesses are welcome to contribute, and there are no contribution limits. Visit HomeCareFLA.org/PAC to join Florida home care agencies, industry professionals, and stakeholders by making an investment to advance your profession.

2014
After a multi-year effort to chip away at the Agency for Health Care Administration (AHCA) quarterly report requirement, we successfully proposed legislation to eliminate the report that cost providers over $4 million throughout its existence.

Additionally, HCAF and its coalition partners helped pass legislation to eliminate the accreditation requirement for agencies that are not Medicare- or Medicaid-certified and do not provide skilled care.

2016
Secured a 4% Medicaid private duty nursing reimbursement rate increase, the first since 1987.

2017
With limited revenue streams due to the Medicare moratorium, HCAF led the charge to repeal the 10-mile rule to allow agencies to expand without incurring unnecessary business costs.

2018
Following enactment of a Palm Beach County ordinance, we successfully blocked legislation to allow more counties to implement a registry that would require direct care workers to register and pay a fee to any county in which the caregiver works.

2020
Successfully proposed legislation to expand the scope of practice for direct care workers under the supervision of a registered nurse. The bill was one of about 200 to pass during the 60-day session out of more than 3,500 (no easy feat!).

2021
Successfully blocked legislation that would have dramatically expanded Alzheimer’s disease training requirements for all home care workers at a price tag in the millions for providers, not to mention take clinicians and caregivers away from their top priority: patient care.

2022
Secured $1 billion appropriation to increase Medicaid reimbursement rates.

FLORIDA’S VOICE FOR HOME CARE . . . Our public policy operation consists of a team of lobbyists with nearly 100 years of legislative and advocacy experience. Whether they are taking meetings with policymakers or testifying before legislative bodies, the goal is to always ensure it provides the best possible representation and advocacy for our members.
WHY JOIN AN ASSOCIATION?

Associations are stronger than ever. By joining, you get members-only perks, exclusive advertising and networking opportunities, and a whole lot of exposure for yourself and your organization. Get on board and see the difference!

DISCOUNTS

Frequently Asked Questions

The Agency for Health Care Administration (AHCA) is still processing our application for licensure. Am I eligible to join?
Yes! Even while licensure is pending, you are welcome to join HCAF as an Associate member. Just indicate "License Pending" on your membership application.

Are all of my locations covered under one HCAF membership?
Not necessarily. Separate AHCA licensure requires separate HCAF membership. This means that if XYZ Home Care Agency located in Fort Lauderdale (Broward County) joins, the XYZ Home Care Agency located in West Palm Beach (Palm Beach County) must have its own membership and join separately to be a member.

If XYZ Home Care Agency in Fort Lauderdale has a separate drop-off or satellite location within the same county (Broward County, in this example), all XYZ staff from these locations would be members since they all share the same AHCA license.

I work for a management company. Am I eligible to become an HCAF member?
You bet! A management company is eligible for Associate membership. Associate members are asked not to share HCAF information with prospective/non-member agencies that they manage. Management companies are encouraged to sign up all of the home care agencies they manage prior to becoming Associate members.

Can prospective members attend HCAF events?
Yes, but there are separate fee schedules for prospective members, who pay 50% over what members pay for attending all HCAF events. Prospective members signing up for HCAF events and submitting payment at the member rate are expected to pay the difference and are invoiced accordingly.

Any additional questions?
Please contact Julia Heath, Associate Director of Membership Services, at (850) 222-8967 or jheath@homecarefla.org.
Thank you for your interest in becoming a member! To join, complete this application and mail with payment to 2236 Capital Circle NE Ste. 206, Tallahassee, FL 32308, or fax to (850) 222-9251. If you have any questions or for more information, call (850) 222-8967 or email info@homecarefla.org.

D. All Applicants: Additional Information

How did you learn about HCAF?  ☐ Event  ☐ Friend/colleague  ☐ Event flyer  ☐ Email  ☐ Web  ☐ Other

Were you referred to HCAF?  ☐ Yes Great! Who can we thank?  ☐ No

E. Home Care Political Action Committee (OPTIONAL)

The Home Care Political Action Committee (PAC) promotes and strives for improvement of government by supporting candidates for election to public office at the state level who share the views of home care providers on issues important to the home care industry. The Home Care PAC is a voluntary, non-profit, and unincorporated committee that is not affiliated with any political party. Your support is needed to strengthen the PAC and its influence in the election process! For more information, visit HomeCareFLA.org/PAC.

☐ Yes, I would like to contribute to the Home Care PAC! Please accept my donation of $_____

with my application. Be sure to include your PAC contribution in your membership dues payment.

F. Dues & Payment

The following membership rates apply to organizations joining or renewing between July 1, 2022, and June 30, 2023.

NEW PROVIDER MEMBER: CERTIFIED .............................................. $1,189

A first-year introductory rate is available to new provider members or providers who have not been a member during the previous three (3) years. Certified providers interested in adding Private Duty membership may do so for an additional $638 per year.

RENEWAL PROVIDER: CERTIFIED .............................................. $_____

Renewal membership dues are based on gross annual revenue for your agency’s most recent fiscal year. Dues may be calculated by multiplying your gross annual revenue by 0.00162050359. For multiple locations, multiply that figure by the number of licenses/locations. Dues shall not be less than $1,189 and exceed $4,732. Certified agencies interested in adding Private Duty benefits may do so for an additional $638 per year.

PROVIDER: PRIVATE DUTY/LICENSED ONLY .......................... $638

Calculate dues by multiplying $638 by number of locations.

ASSOCIATE MEMBER ............................................................. $1,061

HOME CARE PAC DONATION (OPTIONAL) ....................... $_____

TOTAL DUE .......................................................................... $_____
