

TAMPA BAY HEALTH & MEDICAL PREPAREDNESS COALITION PRESENTS

DEFENSE AT THE BEDSIDE: NAVIGATING THE AGGRESSIVE PATIENT

with Frontline Defense

This 90-minute virtual course is designed to provide general awareness for best practices across the entire healthcare industry to mitigate potentially violent situations affecting staff. It will include both fundamentals and considerations in situational awareness and safely controlled self-defense.

**Wednesday,
November 12th, 2025**

10am - 11:30am

Via Zoom
